

## **Health and Safety Advisory: Physician Preferred Products LLC (dba Doc's Apothecary)**

**January 27, 2023** - The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE) is issuing a health and safety advisory due to the identification of potentially unsafe levels of Total Yeast and Mold and Aspergillus contamination in Regulated Marijuana flower (bud/shake/trim) produced by Physician Preferred Products LLC (dba Doc's Apothecary). The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to have Total Yeast and Mold and Aspergillus levels above acceptable limits established in [Colorado Marijuana Rule 4-115](#).

Through an investigation, the DOR has identified Harvest Batches produced by Physician Preferred Products LLC that contained levels of contaminants above acceptable limits for Total Yeast and Mold and Aspergillus. Packages from the contaminated Harvest Batches were sold between 3/4/2022 and 9/22/2022 at Physician Preferred Products LLC (dba Doc's Apothecary) 402R-00146, located at 2100 East 112th Avenue, Unit 5, Northglenn, CO 80233 and at Physician Preferred Products LLC (dba Doc's Apothecary) 402R-00869 located at 4080 North Globeville Road, Denver, CO 80216.

Additionally, the investigation has identified Harvest Batches created between 1/1/2020 and 9/21/2022 that were improperly submitted for testing. *As a precautionary measure*, Harvest Batches created during that time are included in this advisory. In collaboration with the Marijuana Enforcement Division (MED), Physician Preferred Products LLC initiated a voluntary recall for affected Harvest Batches.

Consumers who have this affected marijuana in their possession should destroy it or return it to the Regulated Marijuana Store from which it was purchased for proper disposal. Consumers who experience adverse health effects from consuming the marijuana flower should seek medical attention immediately and report the event to the Marijuana Enforcement Division by submitting a [MED Reporting Form](#).

All affected marijuana has a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana and the Harvest Batch number assigned to the marijuana. Consumers should check the label of their Regulated Marijuana flower for the following Regulated Marijuana Cultivation license numbers and Harvest Batch numbers.

**Retail Marijuana Cultivation Facility Licenses: 403R-00309, 403R-00192**  
**Medical Marijuana Cultivation Facility Licenses: 403-01905, 403-00955**
