

Health and Safety Advisory: BBM Enterprises, LLC (dba Helping Hands Cannabis)

April 12, 2023 - The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE), is issuing a Health and Safety Advisory due to the identification of potentially unsafe levels of Total Yeast and Mold, Aspergillus, and Elemental Impurities on Retail Marijuana Flower, Shake, Trim and Pre-Rolled Marijuana (commonly referred to as joints and blunts) and Medical Marijuana Flower, Shake, and Trim produced by Retail Marijuana Cultivation Facility **BBM Enterprises, LLC (doing business as Helping Hands Cannabis)**. The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to have Aspergillus, Total Yeast and Mold, and Elemental Impurities above the acceptable limits established in [Colorado Marijuana Rule 4-115](#).

Through an investigation, the DOR has identified Regulated Marijuana produced by BBM Enterprises, LLC that contained levels of contaminants above acceptable limits for Total Yeast and Mold, Aspergillus, and the Elemental Impurities Cadmium and Arsenic. Additionally, the DOR has identified Regulated Marijuana Harvest Batches, and Retail Marijuana Production Batches that were not submitted for testing and in certain cases were initially tested and confirmed to contain levels of contaminants above the acceptable limits for Total Yeast and Mold and Elemental Impurities but not decontaminated, remediated, or retested appropriately in accordance with [Colorado Marijuana Rule 4-100 Series](#).

The contaminated marijuana and the potentially contaminated Harvest Batches and Production Batches were sold through March 3, 2023. The Regulated Marijuana was sold at 19 Regulated Marijuana Stores throughout the state, with the majority of affected products sold at the following two Stores:

BBM Enterprises LLC (402-00206 & 402R-00358)
Doing business as “The Bud Depot”
138 Main Street, Unit 6B, Lyons, CO 80540

BBM Enterprises LLC (402-00533 & 402R-00236)
Doing business as “Helping Hands Cannabis”
1021 Pearl Street, Unit B & C, Boulder, CO 80302

Consumers who have this affected marijuana in their possession should destroy it or return it to the Regulated Marijuana Store from which it was purchased for proper disposal. Consumers who experience adverse health effects from consuming the Regulated Marijuana should seek medical attention immediately and report the event to the Marijuana Enforcement Division by submitting a [MED Reporting Form](#).

All affected marijuana has a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana and the Harvest Batch or Production Batch number assigned to the marijuana. Consumers should check the label of their Regulated Marijuana for the following Regulated Marijuana Cultivation license numbers, Harvest Batch, and Production Batch numbers.

Medical Marijuana Cultivation License: 403-00790

Contaminated Medical Harvest Batches:
