

Health and Safety Advisory: Adams Green Crossing LLC

June 20, 2024 -The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE), is issuing a Health and Safety Advisory due to the identification of contaminated Regulated Marijuana Flower (bud/shake/trim) produced and sold by **Adams Green Crossing LLC**.

The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to have Total Yeast and Mold above the acceptable limits established in [Colorado Marijuana Rule 4-115](#). This Advisory includes Harvest Batches that were tested and found to have exceeded acceptable limits established for Total Yeast and Mold, as well as untested Harvest Batches that were produced at the same time and location as the contaminated batches. Those untested Harvest Batches are identified below as “Potentially Contaminated.”

The affected product is listed below (by license number and Harvest Batch) and was sold between **August 16, 2023**, and **April 30, 2024**. The store locations that sold the affected product are also included below.

Individuals who possess this affected product should destroy it or return it to the store from which it was purchased for proper disposal. Individuals who experience adverse health effects after consuming the affected product should seek medical attention immediately and report the event to the MED by submitting an [MED Reporting Form](#).

All Regulated Marijuana must have a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana and the Harvest Batch number assigned. **Individuals should check the label of their flower for the following license and Harvest Batch numbers.**
