

Health and Safety Advisory: Tumbleweed Steamboat, LLC (dba RK Enterprises)

June 22, 2023 — The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE), is issuing a Health and Safety Advisory due to the identification of potentially unsafe levels of Total Yeast and Mold and Aspergillus on Regulated Marijuana Flower (bud/shake/trim) produced by **Tumbleweed Steamboat, LLC (doing business as RK Enterprises)**. The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to contain levels of Total Yeast and Mold and Aspergillus above the acceptable limits established in [Colorado Marijuana Rule 4-115](#).

Through an investigation, the DOR has identified Regulated Marijuana Harvest Batches produced by Tumbleweed Steamboat, LLC that contained levels of contaminants above acceptable limits for Total Yeast and Mold and/or Aspergillus. Additionally, the investigation identified Harvest Batches of Marijuana Flower that were improperly submitted for testing and are considered potentially contaminated. In collaboration with the Marijuana Enforcement Division (MED), Tumbleweed Steamboat, LLC doing business as RK Enterprises, initiated a voluntary recall for the affected Harvest Batches. The contaminated and potentially contaminated Harvest Batches were sold to consumers by Retail and Medical Marijuana Stores **between May 19, 2022, and May 9, 2023, at:**

Tumbleweed Steamboat, LLC (402R-00136 & 402-00080): Doing business as “RK Enterprises” 2093 Curve Plaza Unit, C-103, Steamboat Springs, CO 80487	Green Cross Colorado, LLC (402R-00522): Doing business as “The Tumbleweed Dispensary” 150 S Columbine Court, Unit 100, Parachute, CO 81635
Tumbleweed Craig, LLC (402R-00876) 316 West Victory Way, Craig, CO 81625	Tumbleweed Eagle, LLC (402R-00865) 12 Eagle Park Drive, Eagle, CO 81631

Consumers who have this affected marijuana in their possession should destroy it or return it to the Regulated Marijuana Store from which it was purchased for proper disposal. Consumers who experience adverse health effects from consuming the marijuana flower should seek medical attention immediately and report the event to the Marijuana Enforcement Division by submitting a [MED Reporting Form](#).

All affected marijuana has a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana and the Harvest Batch number assigned to the marijuana. Consumers should check the label of their Regulated Marijuana flower for the following Regulated Marijuana Cultivation license numbers and Harvest Batch numbers.

Retail Marijuana Cultivation License: 403R-00179
