

Health and Safety Advisory: SDJ LLC (DBA The Living Rose)

October 26, 2022 – The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE), is issuing a Health and Safety Advisory due to the identification of potentially unsafe levels of total yeast and mold and aspergillus on Medical Marijuana flower (bud/shake/trim) produced by **SDJ, LLC (doing business as “The Living Rose”)**. The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to have levels of total yeast and mold and aspergillus above the acceptable limits established in [Colorado Marijuana Rule 4-115](#).

DOR has identified Harvest Batches of Medical Marijuana produced by SDJ, LLC that were not submitted for testing in accordance with MED Rule series 4-100. Harvest Batches of Medical Marijuana produced by SDJ, LLC were required to be tested by the DOR and were found to contain total yeast and mold and aspergillus above the acceptable amounts.

Consumers who have affected marijuana items in their possession should destroy them or return them to the Medical Marijuana Store from which they were purchased for proper disposal. Consumers who experience adverse health effects from consuming the marijuana should seek medical attention immediately and report the event to the Marijuana Enforcement Division by submitting a [MED Reporting Form](#).

All affected marijuana has a label affixed to its container that, at a minimum, indicates the license number of the Medical Marijuana Business that cultivated the marijuana as well as the Harvest Batch number assigned to the marijuana. Consumers should check the label on their container of Medical Marijuana flower (bud/shake/trim) for the following license number(s) and Harvest Batch numbers.

Medical Marijuana Cultivation Facility: 403-01649
Sold at Medical Marijuana Store: 402-01057
SDJ, LLC doing business as “Living Rose Wellness”
212 S. 21st Street
Colorado Springs, CO 80904
