

Health and Safety Advisory: Beddor Claude LLC (DBA Chronic Therapy)

November 23, 2022—The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE), is issuing a health and safety advisory due to the identification of potentially unsafe levels of Total Yeast and Mold contamination in Retail Marijuana flower (bud/shake/trim) produced by **Beddor Claude LLC (doing business as Chronic Therapy)**. The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to contain levels of Total Yeast and Mold above the acceptable limits established in [Colorado Marijuana Rule 4-115](#).

Through an investigation, the DOR has identified Retail Marijuana flower (bud/shake/trim) from packages derived from Harvest Batches produced by Beddor Claude LLC that contained levels of contaminants above acceptable limits for Total Yeast and Mold or were determined to be potentially contaminated. Packages were sold from Beddor Claude LLC (DBA Chronic Therapy), license 402R-00217, located at 10030 West 27th Avenue, Wheat Ridge, Colorado, between September 23 and October 11, 2022.

Consumers who have this affected marijuana in their possession should destroy it or return it to the Retail Marijuana Store from which it was purchased for proper disposal. Consumers who experience adverse health effects from consuming the marijuana flower should seek medical attention immediately and report the event to the Marijuana Enforcement Division by submitting an [MED Reporting Form](#).

All affected marijuana has a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana and the Harvest Batch number assigned to the marijuana. Consumers should check the label of their Retail Marijuana flower for the following Retail Marijuana Cultivation license number and Harvest Batch number.

Retail Marijuana Cultivation License: 403R-00287

Contaminated Harvest Batch Number: Silver Mountain 9.14.22

Potentially Contaminated, Untested Harvest Batch Numbers:
